

Name: _____

Catwalk # _____

(remember, the plaster line = "0")

(draw fixture on rail where it's hanging)

- 1.) Draw each fixture (see symbols on back) that is on this catwalk you are standing on (where each fixture is positioned on the catwalk).
- 2.) Then draw an arrow from the light fixture to the stage and draw a "pool of light" on the stage where you "predict" the fixture would light the stage.
