

BASIC CHARACTER MAKEUP

brows
frame the
face. lightly
fill them in
with a
powder &
set with
a brow gel

lip color is
necessary to make
the lips visible
from the stage

line the top lash line with a black or brown eyeliner & apply mascara to the top & bottom lashes to make the eyes stand out

foundation color should be at least two shades darker than one's own face.

blush is imperative in order to bring life color back into the face

contour the cheekbones & jawline to bring dimension back into the face. contour shades are used to create shadows on the face.

↳ clean the contour under the cheekbone with a light powder or cream shade to make the contour sharper (optional)
